“ *I'll never forget sleeping in a twin bed with Kathy and Lisa with a box fan blowing straight on us. We had our arms and legs wrapped around Lisa cause she was Kathy's baby. Spent several night that way spending the night with Kathy during our school years. Great memories*

“ God reached down and took one of the most beautiful flowers from
his earthly garden - and - now she is home in Heaven with all of
your family and friends gathered there. Lisa was very special to so
many of us in Jackson - and what a blessing to be friends. May you
find peace knowing she now walks in Heaven, and find comfort
when you recall all the scenes of her life you have in your hearts.
See you Wednesday at the service.
