While I no longer have many memories left, I can still see Lisa as a child around 8 years old I guess running with her beautiful long blonde hair streaming behind her. She is looking back at me (she was always so much faster than me with those long legs of hers) and she has the biggest grin on her face. Lisa may have been my cousin but she was also a true friend. My heart aches with this loss but I know it pales in comparison to the devastation felt by Jack, Shannon and others who shared daily life with Lisa. Hold your memories close & let them help you through this dark time. Let God's love keep your heart from cracking. Let others help by sharing their memories & love for Lisa with you. Reach out to me if I can help in any way. My thoughts, prays & heart are with you guys.

Lisa, please tell Granny hello for me.

*With deepest sympathy,
Charlie*
