“ Lisa was also loved by The Perry Family in Chesapeake, VA. She and the children visited us, with lots of great memories. She loved light houses and I always think of her when I see one. She gave us several as gifts. She would always send me a Mother's Day card! We visited her in Ohio many times. I loved her wonderful laugh. She also wrote the best and most amusing letters. With her wit, she could find humor in almost any thing. Her life was never easy - but she made the best of it and took all the enjoyment she could from it. She adored all her kids and beautiful grandkids!.  
Sympathy cards have been posted with letters. Our very deepest sympathy to each of you and to Jack who did so much for her. May her bright smile linger on, she left the best parts of her with each of you children. I know they will shine on in those handsome grand children. She is at peace now and may God's peace be with each of you!

“ Our thoughts and prayers are with your family. May you find peace knowing she now walks with the one she lived her life to meet, Jesus Christ. Find comfort when you recall all the scenes of her life you have in your hearts. God bless you.

I will always remember that summer afternoon in 1975 when you walked into my yard. Your cute laugh and infectious smile won me over. Since then you have had a place in my heart.
