“ *My heart is full of sadness for you.....Quinton, Randall and all our family members who have loved Lois for so long. She was a "southern belle" and her life was a testimony of her faith. I have so many fond memories of the time I spent with Quinton and Lois when I was much younger. They were like a second family to me.*

*You are in my thoughts and prayers. I know that God will carry you through this.....as He has done for all of us.....when we could not carry ourselves.*

*Love to you all,  
Jackie*

“ *Lois and I shared many good times from 1964 through 1966. We were able to see a lot of Elvis Presley movies together. She is one of my first cousins. I was shocked and deeply saddened to hear of her passing. I am taking radiation treatments for breast cancer, so I will be unable to attend services. I am sending my sympathy and condolences to her family.*

*Know this, that God knows what measure of grace to give at this time for all of you. Our prayers are going up on your behalf, and we know that our Lord nevers grows tired of His children praying for each other. Trust in the Lord with all your heart, and lean not to your own understanding. In all your ways acknowledge Him, and He will direct your paths. Proverbs 3:5,6*
