*I was so saddened to hear of Sonny's passing. Since I was 2 years older than Sonny, we weren't close friends but I always liked him. I sent the picture of the ship USS Iwo Jima, he was on. We landed on this ship once to refuel and Sonny was on flight deck crew. I looked at his face and thought he looked like Sonny but he was much taller than I remembered and built like a bodybuilder. Turned out it was him. We were both discharged around the same time and ran into each other one evening and just hung out. He's probably one of the guys in the picture on the flight deck. I pray for his family*

“ *There is not enough time or words to describe Sonny and how my family felt about him. He was a treasured friend who was family because he loved mine. Sonny was a mentor because he shed wisdom on us. He was a brother because he was a shoulder to lean on and a hand to lift you up. He was a best friend because he made us laugh through good and bad. Brian and I mourn with Denise, the Girls & Family because we know he was all those things and so much more to them. We love you Sonny-

“ I am so sorry for your loss Ms. Denise. Sonny was a true friend to Chris and I. We were very fortunate to have had him at our side when we started our business. We looked for advice many times along the way and Sonny was always there. A great deal was learned from him and will be forever appreciative. I am so proud to have called Sonny my friend. He will be deeply missed. One thing for sure if there's any trading going on in heaven Sonny will be in the middle of it. Rest in peace my friend.
