“ *John, Bobby,
We are so sad to hear about your Mom's passing. Ms. Lou Ellen was a great lady and fantastic neighbor. She had a heart of gold and she was always smiling. She never met a stranger and was always kind and considerate to everyone she met and knew. The world would be a better place if more people were like her.
With Our Deepest Heartfelt Sympathy,
Marie, Phillip Pruitte*

“ To The Family of Miss Lou Ellen,

I was so sorry to hear of Lou's passing - I am so glad that I was able to speak with her by phone just a week or so ago. She was always a most loving and giving lady...when you met Lou Ellen you immediately felt her love and kindness. She was the type of person who would not only become your friend, but made you feel like family. Her smile was like a ray of sunshine. I so appreciate the friendship and neighborly kindness she showed to my Aunt Bettie Beck throughout the years. Lou will be missed and I am convinced that she has received that greeting we all long to hear from her Lord and Savior: "Well done my good and faithful servant" May God bless you all during this time of sorrow - but know that Lou Ellen is now with her loving John and her loving Savior. GO Gamecocks!!!

“ *What a special woman and family!! I'm so blessed to have known you the past 2 weeks. She truly was a special lady. She's with Christ now smiling down on her beautiful family and friends. When she went to be with Him, I know He said "well done, my child."*

“ Johnny, Bobby and family,

I treasured my time with your wonderful mom. The girls and I have great memories of spending the night with her multiple times and her coming to stay in our new home. The conversations and the moments she shared with me were precious and some involved stories about y'all :). Both of your parents were amazing people and served Christ through their hospitality, giving of things and time, and through their amazing Christian example as a couple and individually. I will continue to pray for healing. Love, Trista, Kenli, and Kimberly Stewart
