“ So many memories of Lowell, Jr. in the Prosser family. I am so sorry that all of us Prosser cousins are not in a position right now to be able to come to the service. We would certainly be there if circumstances were different. We will be with you, Rita, in spirit. We certainly will miss our story telling cousin. Just like Uncle Lowell, he could make you laugh. I loved every minute when listening to my Daddy and Uncle Lowell's adventures as young boys. Lowell, Jr. could tell them over again so well. We will certainly miss him, but know all of us cousins will be joining him one day. He is just paving the way for us.

*Our thoughts and prayers are with you all.*

*Love Lillian Prosser Talbert and family.*

“ Rita, our love and condolences to you and the girls in the loss of our long time dear friend. Jr. was my childhood neighbor and our first wheels and races were on roller skates at Lowes Skating Rink in Augusta. Jr. always looked after us younger children and we always looked up to him to guide our path. We will always remember what a really good person we had for our friend and will keep him and you and the girls in our prayers.

May God Bless and Keep You.

“ Rita, my condolences to you and the girls in the loss and passing of a dear friend and fellow Harley guy and auto gear head. I always enjoyed talking with Jr about cars and motorcycles. I will truly miss seeing his kind face at the Jackson drag strip watching cars. I know you will miss him dearly, too. If there is anything that Judy and I can do for you please allow us that blessing. May God bless and comfort you and give you strength for the days and months ahead. We love you in Christ my sister and friend.
