

Lucas Benjamin Oliver

November 21, 2013 - November 8, 2024

Elgin, SC – A Celebration of Life for Lucas Benjamin Oliver, 10, who finished his fight with childhood cancer on November 8, 2024, will be conducted Wednesday morning at 11 o'clock in the Posey Funeral Chapel, Pastor Jamie Ballentine officiating. The family will receive friends at the funeral home Tuesday evening from 5 until 7. The family asks those in attendance to wear casual clothes including a Lucas t shirt or any of his favorite colors, red, orange and blue.

Lucas was born on November 21, 2013, in Columbia, SC to Andrew and Alex Oliver. His fight with leukemia began with this diagnosis in 2017 at the Children's Hospital of Georgia. In 2021 Lucas received a bone marrow transplant at MUSC Shawn Jenkins Children's Hospital with his mom being his donor, she gave him his extra years of life. Despite the hard and painful treatments, he underwent, Lucas loved going to clinic to get snacks and toys and to see his friends. He loved LEGOs, building anything, and taking things apart namely to figure out how they worked even if it meant breaking it in the process. Lucas loved dinosaurs and had a wealth of random facts about them, especially his favorite, T-Rex. He enjoyed playing video games with his dad and had a favorite game, Zelda: BOTW. He loved Pokemon and collecting Pokemon cards. When it came to food, Lucas' favorites were his dad's sauerkraut, his mom's biscuits and gravy, and Red Lobster, especially lobster. He was always smiling, strong, happy and kind, never wanting his friends to

experience pain. Lucas loved his family and enjoyed going to his Grandma and Poppie's mountain house and GiGi and Pops lake house, loving on the dogs and spending time with his sister, Lilly playing Minecraft.

Lucas is survived by his family and friends which include his parents, Alex and Andrew Oliver; sister, Lilly; grandparents, Eddie and Loretta Fillman, Mark and Mindy Steedley and Sara and Guy Oliver; great grandma, Rebecca Oliver; aunt, Rebecca Oliver; uncle, Daniel Oliver; cousins, John, Abigail and Paisley; dogs, Tinkerbelle, Belle, Rex and Tanner; besties, Rebecca and Ryan Bonig, Kristen and Joe Johnson and the Hoft Family.

The family would like to express their sincere gratitude and love to Dr. Hudspeth, Dr. Paige, Shannon, Dylan, Emily, Ava, Kaitlyn, Taco, Betsy, Mandy, Aggie and the MUSC Team, Dr. Ring, Aunt Kim, Kate, Pam, Victoria, Harleigh, Nugget and the CHOG Team for their compassionate care to Lucas during his fight.

The family asks for donations to some foundations that have supported them over the years

Such a beautiful video. I have prayed for Lucas from the beginning and now God has taken him home with a new body and free of pain. He is now an angel. I pray for your family's strength as you learn a new life without him. God bless you 🙏

These memories are cherished moments for you and I thank you for sharing them. I don't think I ever met your precious Lucas, but I did support his fight when I came to Bridgecreek in Nov. 2017 by purchasing his black t-shirt. He was on my mind heavily most recently and it broke my heart to see his transition. I know he's healed and still in the caring hands of The Most High. He has the most caring and selfless parents for being able to tell him it was okay to rest. You are in my thoughts and prayers. Continue to live in love ❤️. BCE ex employee

“*To the family of this precious child, Lucas, you all have my deepest sympathies. I do not know you, but looking at these beautiful pictures, I can see how much Lucas was loved. In all of the pictures, he has a smile on his face. What a brave little trooper he was. Such a fighter! I know that he is in the arms of our Lord Jesus Christ and he is running and playing and chasing dogs and laughing. But I also know that does not erase the pain that you all are going through. I pray God will wrap His Loving Arms around each of you and comfort you as only He can. Sending love and prayers to you and your family.*

“ You and your family were a beloved part of our Lake Carolina Early Learning Center family! We have known you since you were just a little guy-eager to make new friends, a kind and caring friend to all, be a helping hand for the teachers and your smile and laugh were contagious!
We have followed your journey and continuously prayed for you; as your strong, brave and courageous Mom shared your story for all these years. Even though the news of your passing has broken all our hearts, we have smiled knowing you are free from the struggles you dealt with on a daily basis. You were a warrior, a super kid, and a fighter. Your fight is over sweet boy and we hold you in our spirits forever! You will always be remembered and we are forever grateful that we had the chance to love you, care for you, and watch you grow into an amazing little man!
We love you Lucas!!

“ I am one of the many nurses who had the honor of caring for Lucas in the PICU at MUSC. Lucas had been so sick but he defied the odds and showed us just how strong he was. As he got better I finally got to meet him and his sweet personality. He was always so positive and brave even when he wasn't feeling his best. Some of my favorite memories include the dance parties we got to have in his room, especially when Taylor Swift was involved, watching him create all his amazing Lego structures, and seeing the love and support from his amazing family. Alex, Andrew, and Lilly are one of the strongest and kindest families I ever met. They knew when to push Lucas and when he needed a break and I am in awe of how they were able to balance everything. I'm sending all of you so much love and cannot thank you enough for letting me care for Lucas.
