“ *I will always remember the first time that I met Jay and we went to the beach with him and Judy. We went and stayed all day and when we all got ready to leave, Jay told us that we couldn't leave yet. Keith and I wondered why not. But we soon found out. Jay built the finest sand castle I have seen anyone build! It took him a pretty good while to build it too. When he got finished then he told us it was time to leave. RIP Jay.

*Dear Becky, I just wanted to thank you for the sand castle story. It made me smile and truly warmed my heart. It brought back many childhood memories, He is an amazing Father and Grandpa! I know Matthew will one day build sand castles with his children, just like my Daddy did with me.
I love and miss you, your daughter, Sylvia*

Thanks again Becky and Keith!
