“ *I had the privilege of being Mrs. Oelke's pharmacist for many years, initially when I had my own store and later when I worked for CVS. She was always one of my favorite customers. She was very pleasant to deal with and I will miss hearing her distinct voice over the telephone.

“ *I have known Mrs. Oelke for many years and memories of her will always be in my thoughts and heart. She was a dear friend to me with a strong German accent. I can hear that accent now. She told many historical stories over a cup of tea about her life in Germany. I will cherish those stories and moments spent in her tidy kitchen talking while eating German bread, lunchmeat with butter and cheese. Writing this brief message brings back so many joyful memories of Ms. Oelke. I'll never forget her smile and being so prim and proper. God bless Luise because I truly know she is with the Lord.##imported-begin##Tina Palazzola ##imported-end##*
