“ *To all of the family of Lula, I have heard so many wonderfull stories about Lula. Of course they were all Summerville in origin. While not personally knowing her I know her Summerville family and have had many people speak so highly of her, I needed to express my heartfelt sympathies to all of the family. May God richly Bless you during this most difficult time, know that she is free of pain and now remembers all of her loved ones. May your most cherished memories live forever in your mind and heart. HE is with each of you now and forevermore.*
