“ *Lyle was a great man, husband, father, master carpenter and the list goes on and on. He always seemed to be in good spirits and we sure enjoyed talking and laughing with him. He was an inspiration to many. He loved Shirley, our late mother and all of his kids and grandchildren dearly. I'm sure going to miss him as I know we all will. I told my wife the other day that every time I look at a piece of lumber, I think of him and I always will. Rest In Peace Lyle.*

*“ What a man, what a man, what a mighty fine man; yes, he was. So many qualities : Integrity, dependability, intelligence, talent, thought before he spoke, always willing to help (helped his mother-in-law so much.) Loved his family and especially my sister whom he always aimed to please. Lyle will be sorely missed yet I feel his presence in our lives will remain. My love to all who are hurting with his passing. Rest in peace dear Lyle.*
