“ We are so sorry to hear of Dale's passing. When I think of Dale, many good memories come to mind. We spent time together fishing, replacing pickup truck engines, hanging sheetrock and watching our families grow. When we were working on things together, he always took the time to share his wealth of mechanical knowledge with me. I'm a better person because of having known Dale. He was a good man and a generous man. We will greatly miss him. May his memory be a blessing to you and all of his family and friends.
