“ *Timothy I had no idea til today that your mom had passed away on December 31 2014. I'm so sorry. She was such a sweet God loving lady. If my mother had been able to understand she would had told me. Bless your heart*

“ *My Beautiful Hummingbird,
I do not mourn your passing anymore. You were the best thing in my life for the longest time, I know that your physical being is no longer here. No more pain. No more worry. No more confusion. You are whole and complete in the presence of God and we will be together again on a glorious day. Your passing only brings joy to my heart; no sadness, although the tears have come, because of how and what you taught me and demanded of me. You always told me to be happy because you'd be with Papaw and in a much better place. I couldn't agree more. I miss you everyday and love you unconditionally. I've held a photo of you and I for almost 10 years now everywhere I go; yet I know, I don't need the picture to know you are always with me. I Love you Granny. I love you and thank you very, very much for everything you are to Lauren and I. One Sweet Day Hummingbird.*

“ Jean was one of the sweetest people I've ever known. Her humor and jokes could keep me laughing for hours. I will miss her terribly but I know Harry has been waiting for her for a long time and it's comforting knowing they are together again. Rest well Sweet Lady.

“ Jean was my beloved Aunt like a mother to me. She was a wonderful cook. She was a giving, sharing person with a wonderful sense of humor. She will be missed but I have great memories.
