“ I first met this wonderful, sweet lady when she worked at the Big Star...I think she knew every family in North Augusta. She was everyone's favorite cashier. I later got to know her much better and began calling her Mom...I lost my Mom at age 62. I went to visit her at her home many times and she began calling me her daughter. When she worked at Food Lion in North Augusta, my Dad would always check out with her. She took time to talk to everyone. I had hoped that she and my Dad would get together She was one of the finest ladies I've ever known and I will miss her very much. I hope she is with Jackie, Reggie and Drew.

“ Mable and I shared 2 daughters mine and hers for years until they finally grew up . Mabel was a great lady , she was strong and dealt with life head on .My husband used to scare Lisa to death when she and Gloria were kids , he got better in his old age , but he loved Lisa and her mother too. He fixed some small stuff for her , the last time I talked to her she needed some little things fixed but by that time Bill was sick and unable to help her. She was an amazing woman and mother . We love her and her entire family. Rest easy in heaven .
