“ *I fell in love with Ms Mamie the first time I ever met her! Our first meeting was professional, I was the physical therapist with University Home Health assigned to care for her, but it didn't take long for our sessions to feel like I was going to visit old friends! Her southern hospitality was evident even when she wasn't well! Her and Mr. Jack's love for each other should inspire every marriage. She will be truly missed, But her legacy will live forever! Sincerely, Dana Reece*
