“ I am so sorry for your loss. The only time I had the pleasure of meeting Mrs. Mamie and her sister Mrs. Kate was at the funeral home visitation of my uncle Hubert Howard in 1968. I was only 12 years old and when they walked into that room I knew they had to be two of the most beautiful women that I had ever saw. They were always talked about so highly by my daddy, Russell Howard, and others in the family. I know that they really made an impression on me because when they talked to everyone that night, they were so nice that I thought they were beautiful inside and out! My daddy and all of his brothers and sisters have passed on now. Your family is in my thoughts and prayers.
