“ *I had the privilege to know Marcia by George bringing her to NA Rotary meetings and events. She never met a stranger, loved to tell stories about she and George and would brighten up everyones day. George & Marcia - what a wonderful iimage of how a marriage should be. George gave her a diamond to marry her but he got a bigger one in return. Jim Huff*

“ *Marcia always had a smile on her face and had a great sense of humor every time that I saw her. Her and George used to host an annual pool party and cookout for the American Society of Civil Engineers group every June. And, then I saw Marcia support George with the Rotary Club of North Augusta. She always loved being around everyone at our Rotary events, because she loved people, had a great heart, and just brightened the room when she was there. When you spent much time talking to her you knew she cared deeply about her family, because she liked to talk about them a lot, especially all of the things that George did. We will all miss Marcia very much. We will be praying for George and all of the family during this difficult time.*
