

Marcus Ryan Barber

November 9, 1984 - February 6, 2021

NORTH AUGUSTA, SC –Marcus Ryan Barber, 36, transitioned from this earth to his heavenly home on February 6, 2021. Private family services will be held at a later date.

Marcus is a graduate of Strom Thurmond High School where he excelled in competitive sports. He was known for his verbal jousting, and no one was safe from his quick wit. Battling the demon of addiction, he often sought assistance from his brothers at The Bridges of Hope (Homerville, GA). Throughout his trials and suffering, he discovered college was not for him and obtained an CDL and operated heavy equipment. Marcus was never afraid of hard work and did not shy away from a challenge, but his obsession with separating himself from mental pain fueled his chase for street poison. If a mother's love could have saved him, Marcus would be laughing today. Marcus will be greatly missed. Reach out to his siblings as they navigate through this world with their party of five reduced to four.

Survivors include his parents, Bert Barber and Robin Barber, both of North Augusta; a grandfather, Elbert Earl Barber, Jamesville, NC; his oldest sister, Crystal Day and husband Stephen, Augusta, GA; his older brother, Travis Barber and wife Nicole, Thomaston, GA; his younger sister, Erin Desmarais and husband Dee, Banner Elk, NC; his youngest sister, Whitney Barber and fiancé Jermaine Oliver, Grovetown, GA; two nephews, Travis Barber, II, and

Peyton Miller; and two nieces, Carolina Barber and Raegen Oliver.

Posey Funeral Directors of North Augusta is in charge of arrangements (803.278.1181). Please visit the registry at www.PoseyCares.com

“ Very random.... I was chatting with my family this afternoon, sharing stories of elementary crushes and the name Marcus Barber came to mind for me. He was my first real crush ever in 5th grade. Most memorable, he shot me in the eye with a rubber band. I recall being crushed it hurt so bad (mostly embarrassed to death) but lucky because I was the girl he 'chose' to flirt with. I can only assume that's what he was doing at that age. I am one of 8 siblings so I understand what a loss this must be. I hope you each got a chuckle out of this. I assume this is him-we went to Meriwether together.-

“ I remember the time a friend of mine whom was a female, got her truck stuck in a bad hole where I lived...it was awful...the old car lot with all the old cars everywhere! Anyway..it was like 4 am...and Marcus was supposed to have been home..but had kindly given me a ride home . Then this happened...so of course. Marcus sprung into action...got a rope and tied it to truck and the truck he was driving and pulled that truck right out of that ditch!! Get it Marcus! He did that..no games. Just automatic action...fix it. Always so helpful and kind!! Thank you for being you Marcus! Chill out now....God's got a plan.

“ Our Lord is in charge, and even better, He is the Alpha and Omega, and has never changed and never will. The future that we don't understand actually sits right in the palm of His hand. He is sincerely the victor, even over death. Remember that whatever we have been through, the very One that created us has been through it too, and actually wants us with open arms. He wants us so badly that the Son was sent for a great and torturous sacrifice. Those who know Him know something of peace, forgiveness, hope, and love, because that's we get from Him and He commands love from us to each other.

Our Lord be with the Barber family, the Lord who truly knows and understands grief and pain, and wants us all to take our grief and pain to His bleeding side, pierced for us for a reason - and grant blessing and close relationship with Himself on all loved ones, and condolence, and peace, in Whose arms can only be found - which is the name of Jesus our Christ.

“ I’ll never forget the time Marcus, Robin, and I were sitting at Java Monkey in Decatur, GA.

Of course, as soon as Marcus walked in, every girl in the room dropped her mic., and their eyes were glued to Marcus, the whole time we were there. Robin and I looked at each other, shook our heads, and laughed.

Marcus didn’t skip a beat for one second. He took all of their staring with a grain of salt, because he knew he was worth more than just that.

It was amusing, and awesome, and a testament to Marcus’ spirit & presence.

But, he did not let that define him.

He refused to unwittingly and willingly go gently into that predestined night.

And, even as close to walking over hot coals as it may have been...he remained true to himself.

And...that’s as much as we can ask of anyone.

Marcus’ light refused to go out, because it never will.

Want to know where heaven is?

Just look up, where Marcus is now shining.

You can’t miss it. It’s the star shining brighter than all the rest.

That’s Marcus, smiling back at us...letting us know that he’s not hurting, anymore.

“ Aunt Robin and Family, I am so sorry for this loss. Marcus had a very kind heart and was there for me during one of the hardest times in my life. We talked a few times about life and how hard it can be sometimes, he reminded me to stay positive and to keep looking for the good in things. A genuine and beautiful soul, who's kindness was as radiant as his smile. I heard 'Three Little Birds' by Bob Marley on the radio today while the sun was shining bright and it made me remember how he made me feel during that very hard time. He will forever be missed and never forgotten. Many Prayers, Comfort, and Love.

“ Man when I first got to the bridges I met a lot of guys but Marcus grabbed my attention. If you knew him then you already know he was a special guy. I looked up to Marcus and even though life is not a fairy tale and we all dont live happily ever after, I can say that I'm glad that I met Marcus Barber. I hate this disease for the fact that it makes us unmanagable and powerless. I run to what is killing me and that is insane. I will always remember you bro and you will live on through me. I'm upset with you but I love the hell out of you bro. Until we meet again..God bless your soul!

“ I still have vivid memories of the Barber family. I only remember one thing very vividly about Marcus...it was his smile and the way he would light a room, a big room, an entire football field, a hallway. To the Barber family, I'm so sorry for the pain you're experiencing knowing he has moved on from his worldly presence as you know it. I'm absolutely sure that all of you will carry on his legacy and he will continue to be light. He still is and will always be light in the world.

“ I have so many memories from my youth with Marcus in them. From baseball at Belvedere to football at Merriweather. One of my most vivid memories was the day we all were riding in the back of Coach Bert's pickup truck from opening ceremonies at Belvedere out to the field beside their house. Coach Bert was flying over the hills and throwing all of us around in the bed. We all just laughed. There are so many more memories like that one that not only included Marcus, but his dad Bert and brother Travis. Marcus, you are gone too soon and will be missed. To the rest of the family, we love you and will be praying for you. Love, Critter, Jerry, Linda, and the rest of the Kisers.
