“ *The Neighborhood has lost a great lady....I have lost a good friend. Ms. Margaret help to watch over my kids while I was at work and prevented what might have become a catastrophe. Someone tried to break into my home while I was at work. My daughter was home alone. She stood up to the assailants and kept them at bay until the police arrived.*

I owe so much to her, but all I can do now is ask God to bless her family and for God to give her soul peace.

Rest in peace, Ms. Margaret, Rest in peace.

“ There are a lot of great memories, but one of my favorite memories is of when I was taking classes at Augusta State, and Margret (Gagi) was waiting at the door for me with my sweet baby Journey. She was so excited to be a grandmother and to be able to take care of her while I was in school. She told me she had been changing Journeys outfits ALL day and propping her up on her changing table with each different outfit to take a picture! I had been gone for over 5 hours and she actually had been doing that the whole time. I later saw the pictures!!lol She was so happy and so proud and thankful to be such a big part of Journeys life! She did LOVE being a grandmother to Journey and to all of the grandchildren that followed. I am very thankful and grateful that she was there to help as much as she did. I pray she has now found the peace and rest she has been longing for for such a long time now. She will be missed.
