“ Mrs. Harless was my instructor in nursing school at Augusta Tech back in 1975-1976...She was a great teacher,I still use everything she taught me. She was very kind to all she had contact with.As I said about my mother who died 3 years ago, she is some of the last of a dieing breed - a true Southern Lady with class and charm. God bless all of her family, and know that she is in Heaven with all the family and friends that have gone on before.

“ *I shall remember Margaret as one of the first Instructors when I was getting my LPN License . A dedicated Nurse with a love of teaching. I was 52 at the time, and had the difficult task of learning how to retain facts . Since she was about the same age, she was patient with me, and I made it , with many Years of Nursing afterwards. Thanks, Margaret .##imported-begin##Bonnie Essex##imported-end##*
