“ *I just would like to say something else.
My prayers are with all of her friends and family, and for all who
cared for and loved Linda and you will get to see her one day in
Heaven if you are a Christian.*

*I thought the world of her as she was a lovely, sweet
girl.##imported-begin##Coleman Hatfield##imported-end##*

“ I was very young the last time I saw my mother. But I love her...I never stopped loving her. I want to remind everyone out there we all make mistakes, decisions that we wish we could take back. I am a mother of two teenage boys now and it happens to me every day. Always remember, we are all human and it is important to me that you all know my mother had a good heart....a heart of gold. We talked a little over a month ago on the phone and she knows me and David love her unconditionally, just as she loved and will continue to love us. Just as Jesus loves me and YOU! There is no doubt that my Mommy is sitting with Jesus, making him laugh with her beautiful smile. You know, when she smiled, I can remember her eyes would light up the darkest room....Mommy, there are so many things I wish I would've done....wish I would've said but you know me and David love you and we both know you are with Jesus now. I know you know how much we love you. Bamaw, Bapaw, Peter B, Aunt Margaret....You are at peace, something you deserve...no pain, no suffering. Know that I too, like David, think of you and thought of you every day, every minute....I love you and looking forward to us being able to "catch up" over a cup of hot coffee with lots of cream and sugar one day in heaven. I love you~Lisa###imported-begin##Lisa Hershberger###imported-end##

“ I love you Mother. Their was only one perfect ONE. I remember your profession of faith in Jesus Christ. I have never forgotten you every day of my life. I know you were a believer and you are in glory now. I look forward to our reunion in Heaven with Bama, Bapa, Peter B and Aunt Margaret. I have prayed for Louis for God's love and I am so grateful for his faithful companionship for Linda. This is not the end.##imported-begin##David Head##imported-end##

“ I knew Linda when we were in high school. She had a lot going for her and lost it all, for what reason, I don't know. I guess bad decisions. I will miss her and feel very sad. She is so much better off where she is now.....##imported-begin##Mary Erbelding Miller##imported-end##
