“ My heart is saddened by the loss of my "COACH", who inspired and believed in me as I attended her first class after being out of school for 30 years. Mrs. Sweitzer was a true and dear friend. I believe she completed the work she was called for and that was making others believe they could do anything with her encouraging you with such a beautiful smile. She will be missed greatly by me. May you experience the presence of GOD as he embrace you with his presence during this time. I speak strength and blessings upon you and your family.##imported-begin##Mrs. Betty Robinson-Augusta Tech Student ##imported-end##
