“ *Dear Friends, please accept our sincere sympathy at the loss of Margaret. Losing a mother is difficult at any age. The last time I saw Margaret was in November, 1997 when she visited my mother, Florence Habenicht, as she was in her last days. I appreciated that visit so much. My mother and Margaret became such good friends when Mother shared the duplex with Margaret from 1967 until she moved to White Rock in 1975. And their friendship continued. Please know you are in our thoughts and prayers.*
