“ *Marge was the kind of woman who simply radiated warmth and love. To know her was to love her. I never heard anyone say an unkind word about her. She had such a pretty smile. She will be missed and remembered by many for a long. long time.*

Sincerely,

“ *To be absent in the body is to be present with the Lord. Marge, we love you, we hated to let you go, but you truly had endured too much suffering, and your body couldn't take it anymore. We know that you are in a much better place, at peace and at rest, with Jesus Christ, yours and our Lord and Savior, and that we will all be together someday soon. Thanks for always giving your best, to others, even when you didn't feel up to the task. You played such an important role in my sobriety, and also, for so many others. I just hope that they remember, and honor your life, and not mourn for your death, but celebrate your homegoing, to be with the Lord, and those that have gone on, before us!!!!##imported-begin##Danny Thompson##imported-end##*
