“ *Dearest Dee Dee,  
I am so sorry for your loss. Bubba was a true southern lady and I enjoyed talking to her very much. You should feel peace knowing you were a wonderful daughter to both your parents. You are an inspiration to all of us who face the prospect of taking care of our own parents one day. I pray that God's blessings will pour over you and your family in the coming years. All our love, Lynn & Jimbob*###imported-begin###*Lynn & Jim Rau*###imported-end##

“ Bill,

*We haven't seen each other in over 40 years, since we were in North Augusta Elementary school, and I hope that you remember me. I was just thinking of you and your family this past week and was shocked to see that she had passed. Please accept my deepest sympathies at this time. I am currently in North Carolina and can't make it down.*

*After things settle down, please feel free to email me and we'll catch up.*
