“ *Brad, Terry and family. So sorry to learn of Marilyn's passing. Many prayers and condolences to everyone. She had sent me a PM that she had been in the hospital and I didn't hear from her anymore, so I just found this obituary and I am very sad for you and her family. She told me her health had been compromised for many years. Glad we were able to reconnect after not seeing each other for many years. So glad she enjoyed that sunroom for a while. Again, many heartfelt condolences.*
