“ My thoughts and prayers are being lifted for the family and friends of Lavern Jernigan today. "Aunt Lavern", as I called her, was a dear family friend from my childhood in South Carolina. One of my mom's best friends, she often took care of my brother and I when my mom worked. I will always remember her kindness, her sense of humor and the many "adventures" we had at her house and on family vacations. Praying for comfort and peace for all those who knew her and praising the Lord that I was blessed to be one of those people. Love ya, Aunt Lavern! Candy

“ *Levern's father, John Christian, and my father, Fredrick Franklin, were brothers and both were mechanics in Vicksburg, MS. Since we were the same age we naturally bonded as children and teenagers. Levern also attended my school for a time. My memories of her from that time are that of a cheerful, generous and sweet girl. I never remember us having arguments. Sadly I have to confess playing "paper dolls" with her, which shows the length I was willing to go to be her friend. Though over the ensuing years she has been out of my sight, she has never been out of my thoughts. My sympathies to her family and all who loved her. She will be sorely missed.*
