“ I used to be Barbara Swanson's roommate and we would frequently play cards at her dads house with Swede. I've lost contact with Barbars, Sweed's sister, and would greatly appreciate someone emailing k_tech@rocketmail.com with her contact information. I'm an Adams now living in Mississippi, but would love to reconnect with Barbara Jean Swanson! Hugs to anyone who can help connect us!

Further, I do not do LinkedIn or any social media. I am retired and email is the best option for Barbara to reach me. Help a couple of long ago sista reconnect! :-)

Tell her I vividly remember the "lucky plucker's" aspect of the Friday card games. She was my first son's god mother!
