“ *Stevey, was my cousin. I was young when he left for South Carolina. He was a man of morals. He was a true blessing of faith. It is not what takes one from our heart, but what keeps one forevermore within us. Often we watch from afar because we value his determination and dedication to his widow, and family. I truly was not informed of Stevey's death. In my heart his family dwells. LOL I wish you peace.*

“ I will never forget you Uncle Steve !! Such a Great Man !! Growing up as a kid Steve would always take time out for a youngster wanting to learn , especially about the outdoors and hunting/fishing. “ Steve was a great man!! I was telling my wife (Sandi) that he helped coach us kids in T-Ball. Still can see him (and those long legs) getting out of that sports car he owned at that time. He will be missed! Our thoughts and prayers are with the family.

Sincerely,
