“ Mark was always a man who loved to make others laugh. He was fun to be around and I loved hanging out at his and Camille's house! They always make me feel at home. He was my friend and I love him! Camille, I send my love and condolences to you and your family. You all mean so much to me and I wish I could be there for the service, but that's not possible. My thoughts and prayers are with you. Love you all.
