“ To the Walker Family,

I went to high school/graduated with Mark in 1982. He was in my senior home room and several other classes. It seems as though time has flown by. I always thought he had the blues eyes, He was very quiet and always nice to talk to. I know your hearts are broken and only time will heal them. Please know that you are all in my thoughts and prayers. Peace be with you all.

“ I knew Mark as an acquaintance through my previous job who used Armor. When he would come by our office it was always such a delight. He would have us all smiling by the time he left! He was one of those people who you didn't have to know well to know that you liked him and enjoyed having him around. One of those day brightening people who are the best "strangers" to run across and they don't stay "strangers" for long. He was always happy to talk to children who happened to be in our office with his Donald Duck voice. He will be missed by family and friends, I know but even acquaintances and strangers will miss him!! That is a life well lived! I will be praying for the Walker family!

I was deeply saddened to hear of the sudden loss of such a wonderful person as Mark. A true shining light has faded into the night of our everlasting memories.

Mark was never seen to have a unkind word to say of anyone nor, was he ever anything other than positive and uplifting. He truly brightened the day of every person that he came in contact with.

The sun will truly shine a little less bright with his passing. Mark's family and loved ones will be in our prayers and thoughts during this difficult time.

*My deepest regrets,
Karen Kernaghan*

“ To hear that one of the most bubbly, fun, loving encouraging, funny, greatest personalities man that I ever knew has passed away is just so heartbreaking. It was such a pleasure getting to know Mr. Mark. He had the best stories, always had a smile on his face, would brighten up any room, and was such a highlight of my day when I would see him. Thursday's (pest control day) will never be the same. I am so thankful for all that he taught me in my short 2 years of knowing him. If anyone was excited about my house building, it was Mr. Mark, and I am so glad he got to see the first stages of it as he personally came out on a Saturday to spray our foundation and stood at the truck telling my husband and I all his hunting stories and arrowhead stories that he did on the land that we now own. Mr. Mark you will truly be missed. His famous words to me when leaving the office, "You got it bud, now you have a great day, because you know I am."

Mr. Todd and Mr. & Mrs. Walker, you are in my thoughts and prayers.

“ Mark was truly one of the good guys. I have such fond memories of childhood kickball tournaments and damming up the creek. Mark's good nature and kind heart were constant. “ Todd, Mr. & Mrs. Walker and Family,
Daryl and I want you to know how sad we are that Mark is gone. He touched so many lives. He was the happiest, funniest, and most thoughtful person. I talked to several people on the phone today (men and women) that knew Mark and could barley hold it together. Everyone thought he was very special! We will keep your family in our prayers every day. A note to Mark in Heaven...you get the "Gopher Award" and no arguments!
We will miss you our friend! Love, Daryl & Karen

Mark your smile and awesome attitude will be missed, I'm glad I was able to express to you what a great job you did representing all of us at the CSRA Pest Control Association, as well as the Scholarship Fund. You have been a friend and competitor. I will always remember you reaching out to me when Paul and I lost our father last year. Mr & Mrs Walker, Todd and family, it has been a pleasure to know your family and will always have fond memories of the Georgia - Carolina game that you all allowed my daughter and I to share and enjoy with all of your family.

Mark will truly be missed by us all.

I will miss you Mark and I was glad to call you my friend.
