“ Our family will always cherish the many gifts of time and service that Marsha gave to us. She was devoted to Cub Scouting and reached out to our sons Seth and Joseph with many hours of her time and her caring. She was a dear friend to me and taught me the value of thrift and careful shopping! How she loved those garage sale bargains! Primary in her character was the ability to love and value people. She cared so much for our daughter, Rachel, and our youngest son, William. We are all saddened to hear of this loss, but know that she is with her Heavenly Father. Our condolences to all the family--children and grandchildren. She loved you all dearly. I will miss her very much.
