“ Frank and Family, I had the pleasure of working with Martha at Aiken Technical College back in the good ole days. I hope that she has reunited with one of our mutual friends and coworkers - Anita Gregory in heaven and that they are sharing smiles and great memories! Martha was also a friend of my mother, Barbara Cordell Talaferro, from high school and Sadler Dress Shop. I am so very sorry that I was unable to visit you in person - I was out of town, but i wanted to reach out to you so say that Martha made such a positive influence of so many people and to say that I remember her so very fondly. May your faith in God give you peace and the wonderful family that you and Martha raised you comfort. God Bless you all! Lynn Moore

“ Martha will be missed by all of us that knew her. She was such a fine, caring, friendly and loving lady. We got the privilege of knowing her and her family for 38 years. I worked with her at NAHS, plus we were neighbors. We were great friends and always had such a great time when we went to lunch with my daughter Lisa and Sara. I always will share all the funny things we did just to get our daughters to see that we had such a great time with them and see the mischievous side of us. God bless her and praying for Frank, Sara, George and their family for God to give them peace and comfort by knowing that she is enjoying her new residence without any pain. Martha, glad I saw you THURSDAY for the last time but now it will be until we meet again. God bless you all, love you.
