“ We came to know Martha Smith with the impending marriage of our daughter to her son, David. One day, I received a unexpected phone call from her. In her gracious way, she explained the reason for the call. She said that she wanted to talk mother to mother and wished to assure me that David would be a good husband and provider like his father had been. Her words have rung true and we have ever been grateful that our daughter gained such a kind and loving mother-in-law.

*What a remarkable woman she was!*

“ I still think about when I was in high school going to the Smith house how much fun I had and how Mr. and Mrs. Smith were always so kind and the welcome Ness I felt. Seeing this ever since then made a lasting impression in my life that taught me how important it is to be kind to others!
