“ Dear TC and Family,
You may not remember me but you purchased your land on Plantation Road from me a few years ago, (I am Grady's daughter). I am truly sorry for your loss. Marty left such an impression with me...what a wonderful, caring person. I will always remember how she made me feel as though she had known me my entire life. I briefly met Marty's children one day at the pond; it was so obvious how they adored her. She was a very special lady.
