“ Susan,
I just read about your mother from Denise Duckett Mauck and wanted to let you know that with this note I am sending my prayers that God will touch your heart and bring comfort and healing during this most difficult time. I lost my dad our sophomore year in high school, so I know what it's like to lose a parent. And my heart goes out to you. You always seemed like such a kind and friendly person, and I will lift you up in prayer tonight before I go to sleep.

“ Danny, Susan, Carole, and Brenda-

There are no words to tell you how sorry I was to hear of your Mother's passing away. My Mom called to let me know. It had not been too long ago that I had just asked my Mom if she ever saw your Mother when she would be out and about in North Augusta. I have many fond memories of your Mother, in particular her daily drives to the store for that bottled Coca Cola that she loved. I know that she will be greatly missed by all of you. She was a very sweet and gentle lady. I pray that God will give each of you comfort just knowing that she is with Him now and also joined again with your Dad. Though I am unable to be there tonight and tomorrow, my thoughts and prayers will be with you then and also in the coming weeks.
