

Martin Charles Puetz

March 23, 1950 - August 18, 2025

Martin C. Puetz, of North Augusta, South Carolina, passed away peacefully with family by his side on Monday, August 18, 2025, at Emory University Hospital in Atlanta, Georgia, after a courageous battle with an unexpected illness.

Marty is survived by his loving wife of twenty years, Cathi V. Chambley; his two children, Joseph and his wife Catherine Kjarstie Puetz, and their children, Joseph, Gabrielle, and Charlotte; and Rebecca Lynn Puetz and her husband Hanssel Infante Campos. He is also remembered by his former wife and the mother of his two wonderful children, Sharon Ann Puetz, of North Augusta; his siblings and their spouses Roberta (Puetz) and Steve Lehmkuhl, Rosemary (Puetz) and David Rinaldi, Brian and Diane Puetz; as well as many nieces, nephews, and their families. Marty was predeceased by his parents, Floyd and Lucy (Frings) Puetz, and his youngest sister, Barbara Puetz.

Born in Streator, Illinois, in 1950, Marty was raised with a strong foundation of faith, kindness, and a deep sense of responsibility to others. He graduated from St. Francis Seminary in Cincinnati, Ohio, in 1968, and went on to earn his bachelor's degree from St. John's University in Collegeville, Minnesota, in 1972. These formative years instilled in him the values of service, integrity, and compassion that became guiding principles throughout his life.

After serving honorably in the U.S. Army at Fort Gordon, Marty chose to make his home in the Augusta area, where the warmth of both the climate and community welcomed him. His faith and sense of duty, strengthened by his military service, naturally led him to the practice of law. He pursued his legal studies at Mercer University in Macon, Georgia, earning his degree in 1978.

For the next 47 years, Marty built a respected career as a defense attorney in both Georgia and South Carolina. He started out at the Federal Public Defender's Office, then transitioned into private practice, spending the majority of his years as a sole practitioner. He became known for his tireless dedication, unwavering integrity, and the genuine care he showed to each and every client. Marty lived to serve, and for him, the law was not only a profession but also a calling—a way to stand beside those in need and give them a voice. His colleagues remember him as a trusted friend in the legal community, and his clients will always remember him as a steadfast advocate who never gave up on them.

Beyond his work, Marty gave generously of his time to the wider community. He volunteered with Golden Harvest Food Bank and loved reading to children at Barton Chapel Elementary School, finding joy in helping others and encouraging young people. Whether in the courtroom or in the classroom, Marty's presence was marked by warmth, compassion, and an unwavering commitment to making a difference.

Marty will be remembered most for the love he poured into his family, especially his children and his grandchildren. He will also be remembered for the devotion he showed to his clients, and the quiet but powerful ways he served his community. He was quick to help others and never met a stranger. His faith, humor, and generosity of spirit will live on in those who were blessed to know him. Though he will be dearly missed, the legacy of his service and the example of his life will continue to inspire all who were touched by his

kindness.

A visitation will be held on Thursday, August 28, 2025, from 5–7 PM, at Posey’s Funeral Directors, 1307 Georgia Avenue, North Augusta, SC. A memorial service will follow on Friday, August 29, 2025, at 4 PM, in the Posey Funeral Chapel. Friends and family are warmly invited to celebrate the life of a man who gave so much to others.

“ *I've known Marty since the days of the FPD where he served with distinction. Marty was an agreeable man, but an unflinching advocate. He was a stalwart friend through the years, a man of good will, trusted and responsive. I regret I will be out of town for the service. Please accept these words as my condolence to the family and a shared sense of loss and lamentation to colleagues in the law. We will miss Marty and what he stood for. Dudley Bowen*

“ *In the late 80s when I was an assistant district attorney I met Marty Puetz and found him always to be a fierce advocate for his clients and well prepared for every hearing or trial. Later when I went into private practice I had the pleasure of working with him in the same law firm. He treated everyone with respect and had a great sense of humor. I will miss seeing him in court and would like to extend my deepest condolences to his family. Danny Durham*

“ I was blessed to know Marty from the time I was a child coming up. The true measurement of a man is what he does when there are no spectators. Marty was wonderful person and if you had the pleasure of knowing him you were better for it. He was a formidable force yet kindhearted and gentle in the same. I am thankful to have known him; he will be missed by many but never forgotten. Thank you for the impact you made on myself and so many others!

With love,

“ Deep sadness in the loss of my friend and former employer. Marty exemplified charity, kindness, generosity and acceptance. Marty devoted himself to his clients. He was described as a pitbull in court and anyone who retained him knew he was their advocate. He had a resonate voice and a presence that was not to be ignored or overlooked. Strangers who happened to be in court and witnessed his advocacy occasionally called the office to share their positive impressions.

Despite several health setbacks in the last few years of his practice, he maintained a positive attitude with a determination to get back to work. Marty was very friendly and did not know a stranger. As we'd drive down the street, he would wave to anyone on the sidewalk--as if we were in a parade! He was skilled at having conversations be about the other person or their interests. Knowing I like sports and am from Michigan, many mornings Marty arrived at the office with the latest he read about Steph Curry/Golden State Warriors, golf, football or my home state.

We retired and closed Marty's office at the end of March last year (after 25+ years working together). I do--and will the balance of my life--miss our regular phone calls and messages since our daily contact ceased at the office. The CSRA lost a good man; I hope we can all aspire to follow his examples of kindness, charity and devotion. My deepest condolences to Cathi, Joe, Becky and Marty's larger family.

“ I had the privilege of working with Marty for 30 years. Marty was a formidable advocate and skilled trial lawyer who had a disdain for all injustices and the intrusiveness of drug interdiction laws and enforcement. Marty was a successful businessman whose expertise was supported by his long time faithful friend and skilled paralegal Cheryl Williams. He was a mentor to me and a steadfast support in my times of adversity. He was awesome in the courtroom and had an immense presence, a booming and effective voice and tone and huge success. He was a pillar in our legal community and offered time and support to younger lawyers. He was kind and courteous to all courtroom personnel who will also miss him dearly.

As stated in the obituary, Marty loved his family and community.

*Respectfully and with condolences to Marty's family and friends,
