“ *We remember Mrs Teal as always having a smile and kind word for us every time we would meet. She was such a dear, dear sweet lady. We were so sorry to hear this news, we were out-of-town and could not get to Jennifer, Nancy and Todd. We cherish many memories of the lake and football games together with Mrs Teal. We will see her again, she's at the right hand of our Father now. RIP, dear one.*

“ What a great lady and mentor. Teal meant so much to so many. I remember her working with us on our basketball skills. She was encouraging, loving, and brightened so many days as we rode bikes in the neighborhood and played until dark. And the trips to Richardson's lake...such fond memories forever etched in my mind. Thank you, Teal, for being a profound impact on my life and so many others. Nancy, thank you for sharing her with all of us. My thoughts and prayers are with you, Todd, and Jennifer as you navigate these difficult days ahead.

“ *Todd and family,*

So very sorry about Miss Teal. Jackson has certainly lost a wonderful southern lady.

I always remember her working in the concession stand making those corn dogs at

the ball field. I loved her low-country accent.

may God bless all of you,

“ *Etheredge Family, I am so sadden to read of the passing of your
sweet mother this morning. What a lady she was. She never met a
stranger and knew so much about so many things. I know your
grief, and just know you are in my prayers.
I just want to share something. Anytime Ms. Teal sub at school was
a good day. I am sure I am not the only person who felt this way.
She kept us in line, made sure we did our lessons for the day but,
she made a good time out of it all the way. To know her, was to love
her. My prayers are with you all.*
