“ To the HARPER Family: I can remember all the fun that Mary had in life and all the laughing that she did when she was around people. Mary has a family who loved her and made sure that she knew it. I will always remember her. You know that I am sorry for your loss and know what it is like to lose a mother. Your hearts will always have her there and the memories that each of you shared. Will be praying for all of the family and for peace and comfort in the days to come. Love all of you.
