“ I have many great memories of Mary & Bob all the way back to the summer of about 1948 when I spent part of the summer with them. We went to baseball games, played many games of monopoly, carroms, even got to go to the junk yard sometimes, get tennis balls from the warehouse and the black kids on Reynolds St . would let me play with them (in the middle of St.) Mary said I was as black as them (from dirt) when I got home, and of course we went to The Pond every weekend, (I loved the pond). Several years later she invited Jean and I down to visit she and her family and go to Masters, This became a wonderful "tradition" for many years. We were treated like royalty. I could go on forever about the good memories of Mary and her family. I love them ALL!!!
