“ *Met Marylou on Pinterest and you knew right away her family was sooooo important to her and she was a kind and giving lady. I knew she was going for this surgery and I am so sad to hear of her passing, she had more life to live. I am so glad she made her trip back to Ohio and had such a great time seeing all her wonderful lifetime friends, it was a real highlight for her and enjoyed it so. My heart breaks for her family, but know her spirit will live in them all.*

“ Thankful for the time Mary Lou spent with Doris last July. She so enjoyed riding around town with Doris on her golf cart, greeting old friends and revisiting where she grew up. A highlight of her trip was spent with the "Bridge Street 5" (as she called us) sharing her home cooked meal, much laughter and many memories. Mary Lou's saddest day was when it was time to leave her home town. Doris suggested that she extend her visit, but with tears, she said she had to go home to be with her family. We are now the "Bridge Street 5 minus 2" as we lost Phyllis in May. Our sincerest sympathy to all and know that Mary Lou will be looking down on us all with a big smile. God Bless! Jackie, Doris and Margaret
