“ *With a very heart felt lost for my Aunt Louise. Some of my strongest and happiest child hood memories was when our Ohio cousins would come to West Virginia and we would all rejoice in Ceredo with Louise and her family. She would make everyone feel so welcome. It's hard to put into words what I or we are feeling. it is my honor to have known her, she will always be in our thoughts and prayers, love James Christian and family*

“ *Paul, David and family, I was amazed by Mrs. Lykins' resilience and adaptability. Her moving from everything she knew in WV to live here closer to her two sons. She not only lived but thrived here. I loved listening to her play the piano by ear, no music! Her constitution, resolve and love for others is evident in her sons as both they and their families are fine examples of how any parent would want their child to turn out. We are praying for you all and are here if you need anything at all. Raymond, Pam and Tyler Shaffer*
