We considered Mary as part of the Soto family. My grands called her Nana. Mary and I spent many hours sharing together, much laughter and much time sharing our faith in the Lord Jesus Christ. She was a very sweet and loving person, so loved her family. I will miss my visits with her and our phone calls. She was a blessing to our lives. I have no doubt of her location now - her love for the Lord and His for her was obvious. She was always praying for her family and for her friends. What a great woman! She is already missed. Love you my sister and friend!!

“ You have no idea the void that you left in our lives. You brought so much joy and love into our lives from the moment we met you! I hope you never had to wonder how much I cared and loved you, because trust me I could not have loved you more! Rest easy knowing even though I'm angry I'm angry that you were taken from us I'm angry at myself for not being there, angry that you didn't tell me how bad it had gotten, mostly angry at myself because I didn't see that you needed me. But although I've cried and screamed at you, at myself, and so many other people every day since you were taken from me, and as hard as it is for me to keep going knowing that your gone i am strong and although it will be hard but I will go on and live a happy and fulfilling life like I know you prayed i would. I miss you. Love you always ~Ashley
