“ *I just saw the obituary for Mary Alice and am so sorry. I grew up with her. As a matter of fact we were double first cousins! Had I know of her passing, I would have come to the funeral. I had been trying to keep up with her on Facebook but did not look at it yesterday. I was 2 months older than she. Mary Alice was a wonderful person, a devoted wife, mother, and grandmother, and daughter. Life was not always easy when we were growing up but we made it!! I loved her and love all her sisters!!
