“ *I worked with Mary for many years at Carole Fabrics. She was a great friend, a break partner, someone to keep me laughing and the best confidant ever. She was smart, intelligent and just one of the greatest. She and I were part of a four person group called ‘the godmothers’. We got things done when everyone else stood by. The one thing I want everyone to know is ‘she had a good spirit’ and a heart of gold. And even though I never met any of her family members, I felt like I knew everyone of them. She loved her family with all her heart.*
