“ Worked with Mrs Mary at the daycare in North Augusta for many years. Had meet Mrs Mary before then because we both did the bus run to pickup children from school. Drivers would get there early to get in line and all the drivers would tell their daycare story. And we did have stories to tell! So when I can to work at the same daycare as she was at, she made me feel welcome. And as we talked we found out we both knew another person that we had both worked with for years before. What a small world. Always talking about the granddaughter. She loved the children she had and gave love to them daily . I seen were children from yrs passed would come by to see her. She was truly a great friend to have and work with. Sending prayers to all the family.
