My little cousin Maryvonne, I am so sad to hear that you have passed. We knew each other when we were children and later on in life I found you again working at Doctors Hospital with me. You were always kind and kept me up to date on your Mother. I will miss you. My sympathy to the family. Nancy Youngblood Kimball Smith.

“*Maryvonne and I grew up together from the age of 2! Kirby drive was a rocking neighborhood! Maryvonne made it glow! She was always there for everyone. But we all knew not to make her mad! She was a redhead!! Plus her mom would whoop our butts too. Between her mom and my mom, they kept the kids on there toes! One of the funniest things I remember is all us kids had been playing in the sandbox that my dad had made for all to enjoy. One day a sand fight got started. My mom came out with her famous cowboy belt and scared everyone home. Then she went to the local hardware store and bought bags of cement! After a few hours we no longer had a sandbox!! I could tell so many stories. All ended up good. Even though Maryvonne and I lost contact after high school, she was never far from my thoughts. What a great childhood we both had. What a great life we have both been blessed with. I will miss her so much. Jim and family, you all had a jewel in this wonderful woman. Words can not express how sorry I am for your loss. I love Miss Simone. I will be praying for you all. Love, Susan LeRoy Cheesborough.*

“*We were good friends in high school and after. Our lives moved on and we lost touch. A few years ago we made contact again on facebook. We both had been blessed with good marriages and families I was so very sad to hear of her sudden passing. Our prayers will be for the family. Thank you Maryvonne for your friendship and we will meet again.*

“*Maryvonne's light is shining in heaven now. Her time on earth has ended, but thank God she is no longer in pain or suffering. She can be with her love ones and see God's great Love and his throne. She's only waiting for her loved ones left on earth to live out their time as God would have them do until they join her. She's at peace now and watching over every one with her love. You've not lost her spirit, only her body, because she lives within you in your heart. God Bless and keep you till you meet again.*

“ Mom I know you know how much I love you and how much I'm going to miss you! You were my best friend the one that I knew no matter what I was going through I could always count on you to have my back. I'm going to miss you so much. I promise you no matter what I'm gonna take care of daddy, no where near the way you did but I will do the best that I can because I know that's what you would want me to do! The love that he has for you is amazing on so many levels. I know that you are not suffering anymore. I'm so thankful that God gave me you to be my mom. Your happiness came from being able to give to others you always made sure that I had everything I could ever dream of. You taught me how to have a heart but you also taught me to never let any one walk over me. To stand up for my family and to be a great mother. If I am half the mother you were to me then I know I've done right! I know you were so glad to see pappy again and I can't wait to see you again. You were such an amazing nana and I know the grandkids are gonna miss you so much. I would do anything to hear your voice again. Thank you for not only being the best mom ever but for going above that and being my best friend! I love you and will see you soon!!

“ Jim and Family: I'm sure you all know how much we're all going to miss our girl. She was my "soul-sister" for fifty years. She taught my how to ride a horse; she taught me how to drive in her white volkswagon (I still drive with two feet); she introduced me to my husband of 43 years. I've never loved anyone like I love Maryvonne, nor has anyone ever loved me the way she did. Her love was unconditional, always! She and I experienced the best life together. I don't think she knew how exceptional she was to everyone that met her. All my love, Betty Odom

“*When I think of Maryvonne, I think of "one of a kind"! She had a heart of gold and loved her family more than life itself. She had a spark in her eye that let you know where you stood with her. She loved people and she loved her animals. She never met a stranger. She could make you laugh when you felt that you were at your lowest point. She could be a sweetheart or a spitfire. It was up to you to decide which you wanted her to be. If you said or did anything against her family you were asking for the spitfire and you got it! She will be missed by so many and especially her husband, children and grandchildren. We all love you Maryvonne and even though it is hard to let go, you will always be in our hearts and our memories. Give my mama and daddy and uncle Herb a hug and a kiss for me and tell them Merry Christmas!*
