“ I met Mike and Rusty when I worked for their dad, Bob, at Columbia Nitrogen Mike was always so full of life, he had a way of making you laugh no matter what kind of mood you were in. Mike was the type of person, that no matter how long it had been since you had seen him, if you thought of him or someone mentioned his name it brought a smile to your face. Rusty and Connie, my thoughts and prayers are with you and your family as you go through these trying times.

“ I best remember Mike from Middle school. He had his special group of friends, neighbors I believe mostly. They were a very tight knit group and always good for a laugh in your day. Mischevious at times, with a heart of gold, and an endless smile. My thoughts and prayers are with you . May his family find peace in the days ahead.

“ Mike Bushee - A legend in Belvedere back in the late 60's and 70's for his kissing prowess. I haven't been in touch for many, many years, but it's hard to forget somebody like Mike. My mother loved to chat with him on her sofa when he, along with half the Belvedere youth, would seek her advice. My condolences to Rusty and Connie, to his mom and step-dad, and to all the other family members I never met. Debbie, Shawn, Brittany, Angie -- you're all in my prayers.
