“ *Faye and family I am so sorry for the loss of Mike. He was such a good person and my sister absolutely loved both of you. I still have a photo of Mike Craig and Darlene at the Masters. He was a funny person but he could be serious and we enjoyed the last trip that we got to take with y'all and will have the memories from our photos. I am praying for that you will find some peace, the comfort you need from family and friends and God most of all and that God will continue to give you strength so that you can do the things you need to do. Call me if you need anything*

“ Kathy and I have known Faye and Mike as neighbors since our subdivision was first built about 30 yrs ago. We have had very special moments as families on the same street. I loved the few times Mike and I walked our dogs and talked about what mattered the most in our lives. Only a week ago Mike and I met on our street when the power went off from a storm and he was telling me that a kidney donor was going to give him what he needed. After that day the Lord seemingly reminded me to pray for him for the few days that remained before he passed. Life is truly fragile but his faith in the Lord solid. What a blessing from God to be surrounded by these types of relationships. God bless you Faye and we are here for you always. Prayerfully, Al Branson, pastor Green Pond Baptist Church, Jackson, SC.
